

FLEXIBLE

Synonyms: adapt, accommodate, compliant, modify

Although he may not adjust well to rapid changes, he enjoys a position where he can perform many different duties. His talent for organization allows him to coordinate his various plans and actions.

Staying flexible and open-minded allows her to react quickly in a variety of circumstances.

She makes adjustments in her attitude or behavior depending on the circumstances.

He has an accommodating nature and is willing to change his path if someone wants him to do something different.

She adapts her presentation to the needs of the moment and if what she is saying doesn't seem to be working, she can change mid-stream and try something that might be more effective.

She has a likeable personality and is comfortable working with a variety of different types of people.

He tends to 'go with the flow,' rather than trying to force a situation in a particular direction.

She tries to take a careful approach, but her enthusiasm grows the more she gets involved.

He likes things to be organized but not regimented, which means he is flexible enough to allow individuals to be themselves, yet work within acceptable parameters.

Flexible and spontaneous, you like to take life one day at a time and make the most out of what's happening right now.

When obstacles arise, he simply finds the path of least resistance, and that may be over, around, or straight through the roadblock.

Whatever the environment, this applicant has a facility for fitting himself to existing circumstances.

She doesn't expect others to adapt to her, but is willing to make some sacrifices and modify her behavior on their behalf.

While it is evident that he will gladly accommodate some situations, he has the strength of character to stand firm when it is really important.

It is easy for her to make quick changes as she recognizes the need.

Under pressure, she is resilient, going with the flow and bouncing back from stressors without undue strain.

Eventually her resilience will catch up with her and she will be able to make the needed adaptations.

Like a rubber band, she springs back and retains her elasticity, quickly recovering her balance and going on to the next thing without losing continuity.

Efficient and businesslike, you show resilience and an ability to adapt to changing circumstances. Other people might go to pieces in certain annoying situations, but not you, as you function at an even pace, no matter what horrendous ogre is trying to trip you up.

Your writing shows a strong degree of adaptability, but only when things are going your own way.

Your tolerant viewpoint is a form of flexibility. That is, you will consider other people's point of view, but not necessarily take them on as your own.

He is nothing if not a survivor. Inevitably bouncing back from disappointments, he is able to find a way to soothe even the grumpiest of discontents.
