

“Persona and the “Real” Person

Tony is correct in that of course, we all have different personas that we show in different circumstances. What makes a persona writer different is that the mask has overtaken the person, so that we no longer know what the "real" person is; all we know is what they want us (the world) to know. Sheila

Subject: Re: [Vanguard2] Persona

Very good point, Tony. IMO, the whole issue of persona is bogus.

Jack.
