

R

$R \leq 13$ and $L \geq 1.0$ and $F \geq 9$

This is a “Cant” record. It is associated with a person who is simplistic. The need for structure is upper most. Complication is confusing to them. They thrive on predictability. They comply with behavioral recipes. They have limited interests. They have few to no emotions. They are ‘numb’.

(Exner 1986, p. 312)
