>>

>>Hi Alberto,

>>

>>Would it be possible for you to post your reference list; or, to send it

>>to interested individuals off the list? That way, they can note any

>>important omissions and make note of them to you.

>>

>>Robin

>

>

Since Robin and some others expressed interest on my Rorschach theory reference list, here is an incomplete but of practical use version of it

I've been able to organize, according to the chapters of my Dissertation. As

I said earlier additions or comments are wellcome.

Alberto

Thesis to Introduce the Structural Problem of Perceptanalysis

I) Introduction

II) A critical review of the works on the theory of the Rorschach

1- Empiricism? (Introd. to Psychodiagnostics; pro: Klopfer, Piotrowski, Exner; against: Schachtel, Holt, Deri, Smith); anyone's possible theory is not the same thing as at least one's chosen theory (Binswanger, DeCato, Weiner).

Binswanger, L. (1967). Observaciones acerca del Psicodiagnóstico de Hermann Rorschach [Comments concerning Hermann Rorschach's Psychodiagnostics]. In H. Rorschach (K. W. Bash, Ed.), Obras Menores e Inéditas (2nd part, chap. I.26, pp. 228-240). Madrid: Morata. (Reprinted

from Internationale Zeitschrift für Psychoanalyse, 1923, 9, 512-523)

DeCato, C. (1993). On the Rorschach M response and monotheism. *Journal of Personality Assessment*, 60, 362-378.

Deri, S. K. (1984). *Symbolization and Creativity*. New York: International Universities Press.

Exner, J. E., Jr. (1969). *The Rorschach Systems*. New York: Grune & Stratton.
