

VISIONARY

Synonyms: idealist, dreamer, far-sighted

He is extremely broad-minded and imaginative. His ability to look ahead and visualize the outcome of his goals helps him to translate those visions into productive action.

She is not as much interested in what is going on around her today than she is in visualizing grand concepts for the future.

His creative approach allows him to bend reality and come up with some completely new formulas and systems.

His interest in finding ways to make improvements to the existing situation may catch him in the trap of making changes just for change's sake.

His aspirations are so high that some of them could simply be called dreams. He looks ahead and finds more challenge in visionary objectives than practical ones.

She thinks big and dreams big, but a lack of the stamina and vitality necessary to make her visions a reality can simply leave her building castles in the air.
